

Obtaining The Paleo Diet® Certification through Where Food Comes From, Inc.

START TODAY!

1

THANK YOU FOR CHOOSING WHERE FOOD COMES FROM AS YOUR CERTIFICATION BODY (CB)

Your customer verification specialist (CVS) will be reaching out to help you navigate the entire certification process.

CONSULTING

Where Food Comes From is the industry's go-to provider for third-party certification and verification services by leveraging our collective divisional strengths and expertise to deliver integrated services and products. If you're looking for help on where to start when it comes to The Paleo Diet® certification, we have team members dedicated to consultation so you can feel confident as you step into the verification process.

2

SIGN A LICENSE AGREEMENT

A licensing agreement will be distributed to you for signature to enable the use of the The Paleo Diet® Certification mark.

3

INGREDIENT REVIEW

Where Food Comes From will review all details of your Paleo inputs, product formulation and labels and request a variety of records to support compliance.

4

FACILITY REVIEW

Where Food Comes From will review your manufacturing practices for proper Identity Preservation, Segregation and Chain of Custody to ensure product integrity.

5

LABEL REVIEW

Where Food Comes From will review your product label(s) for compliance with the The Paleo Diet® Certification Program.

6

CERTIFICATION

The certification mark will be provided by the The Paleo Diet® upon licensing.

7

ANNUAL REVIEW

Where Food Comes From will review your Certified product(s) on an annual basis and initiate certification renewal. Renewal fees apply.
